

KEEP KITCHEN HOOD GREASE AT BAY FOR YOUR NEW HOME

GET THE TIPS
KITCHEN HOOD

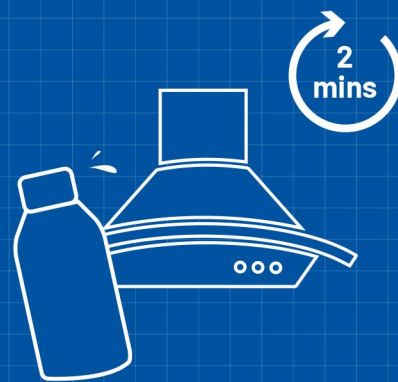

INSTRUCTIONS

1.

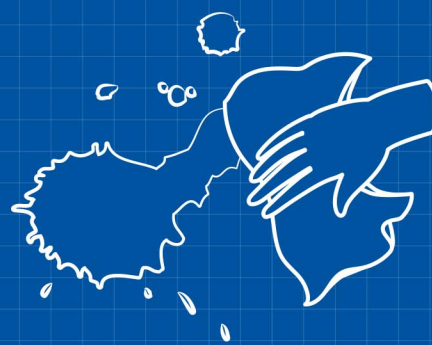

Wipe away any food residue or crumbs.

2.

Spray WD-40 Specialist Degreaser onto the kitchen hood, and let it sit for 2 minutes.

3.

Wipe the kitchen hood with the clean cloth to remove all the grease and grime.

4.

Using a clean side of the cloth, repeat the steps again until clean.
